## NEW BUSINESS

- EXECUTIVE MEMBERS FOR NEXT YEAR

President Wayne indicated that we may have a number of director positions to fill in the new year.

- SENIORITY LIST

Ray Ginglo led a discussion as to how to deal with the issue of former members who return to the club after an absence and at what playing position they should be put into. Generally after two years absence from the club a persons name is removed from the Seniority List. If they come back should they start over again at lead? Over the past couple of years the issue has been dealt with on a case by case basis. There was good discussion regarding the issue.

MOTION by Malcolm SECONDED by Ray that the President and Drawmaster continue deal with this on a case by case basis.

- CHALLENGE ROUND SIGNUP

Ray Ginglo led a discussion with regard to issues arising from the signup procedure for the Iroquois Falls Challenge Round. Some people who play in one round often end up playing in the next round while others who didn't play in round one still don't play in the next round. Some members have played in every round in a year while others only get to play one or two games. In another situation, some members don't immediately sign up or wait to the last minute only to find the draw is full and the signup sheet has been removed to make up the teams. They are then upset with the Drawmaster.

MOTION by Ray S. SECONDED by Gervais that curlers who curled in the previous Challenge Round must sign up as a spare for the next Challenge Round. The Drawmaster will have the discretion to fill vacancies on teams from the spare list.  
CARRIED

Recommendation: that this and all sign up sheets have an cut off date assigned. Curlers must register before the cutoff date to be considered.

#### 4. ADJOURNMENT

MOTION by Elaine SECONDED by Ray G. That the meeting be adjourned at 1350  
CARRIED
