South Porcupine, ON

Curling Canada's Certificate of Recognition

Dear Mr. Hall:

On behalf of Curling Canada, please accept our sincere best wishes, a healthy, happy 90th birthday, and this Certificate of Recognition as a small token of that appreciation.

Each year our sport is enjoyed by almost two million Canadians of all ages and abilities. Curling offers them unique opportunity to be lifelong participants in an activity that rewards membership, not only with the fun of playing the game, but with the opportunity to meet and make friends with countless residents of the community.

Your lifelong participation, both as a fan and as a curler in Northern Ontario, has played an important role in the health and well-being of the sport of curling allowing present and future generations, especially in Northern Ontario, access to a strong and vibrant curling program. It would be an interesting afternoon to listen to the stories you could tell from your 72 years of curling experiences!

On behalf of the Chair of the Board of Governors of the Curling Canada, John Shea of Ontario and all Canadian curlers, thank you for your valuable contribution to our sport at the community level and happy birthday!

Sincerely,

Danny Lamoureux
Director, Championship Services & Curling Club Development
