Re: Bob Armstrong Memorial

Dear Wayne,

Attached please find a cheque for \$500.00 which as agreed, will be put towards the purchase of a suitable plaque at the New Horizons Curling League headquarters in memory of my husband Robert (Bob) Armstrong. Any remaining funds shall be used in connection with safety and instruction clinics when such clinics are held for senior curlers.

Thank you for this opportunity to promote safety among senior curlers and at the same time, honour a man who loved the game for 60 years.

Sincerely,

A handwritten signature in cursive script that reads "Diane Armstrong". The signature is written in black ink and is positioned to the right of the printed name.

Diane Armstrong
