October 27, 2020

Mr. Wayne Jaszan  
New Horizons Curling League  
Schumacher, ON

Dear Wayne and Board Members,

On October 1, 2020, the McIntyre Curling Club started its 20/21 season. As we are all aware it was a challenging decision based on the many restrictions and guidelines.

Due to many extra measures required to open the curling club in relation to the pandemic, our initial budgeted costs to open up have risen significantly. Your financial donation will greatly assist in offsetting those costs which have been directed towards initial cleaning and to continue maintaining the cleanliness of the facility as per Public Health Guidelines.

The main focus of the Board of Directors was to implement a safe return to play for all curlers of the McIntyre Curling Club therefore purchasing PPE equipment was a must. The club purchased plexiglass, cleaning supplies, sanitizers, signage and a sanitizing fogger to name a few.

The support of your group is greatly appreciated and we can't stress enough how thankful we are of the positive relationship between us. We are all in this together.

Sincerely,

*Stephen Meunier*
