Mr. Wayne Jaszan
New Horizons Curling League
Schumacher, ON

Dear Wayne and Board Members,

On behalf of the McIntyre Curling Club and its executive members, I would like to thank you for your generous Rock sponsorship to the club. Your sponsorship of sixteen rocks for the next two years is above and beyond any expectations.

Your donation will help with a capital expenditure that the club incurred during these unexpected and unprecedented times. This sponsorship goes a long way in helping the organization.

I would also like to thank all of you for your generous donation of time throughout the season, from start to end. The club relies on volunteers for setup, clean up as well as small tasks throughout the season and your group has surely stepped up. Without volunteers like the New Horizons League, the club would not be what it is today.

Again, my sincere thanks and look forward to our continued relationship.

Sincerely,

Stephen Meunier
